## N60<sup>NC</sup> WIRELESS

On-ear wireless headphones with active noise cancellation

### Sounds amazing. And then you switch it on.

AKG N60NC wireless headphones feature AKG Signature sound that's deep in bass and rich in the mid-range, as well as best-in-class noise cancellation that's fine-tuned for traveling. And while a single charge gives you 15 hours of uninterrupted listening pleasure with both Bluetooth and Active Noise Cancellation turned on, they sound just as awesome in the passive mode. A button on the ear-cup lets you control all music playback, and Bluetooth gives you wireless access to all your music. Best of all, the flat-foldable design and thoughtfully-included accessories – airline adapter, tangle-free fabric cable, carrying case – mean these headphones are ready to travel when you are.

### FEATURES

- ▶ Best-in-class active noise cancelling technology
- ▶ Lossless wireless audio playback with aptX
- ▶ 15 hours of battery life
- ▶ AKG reference sound quality
- ▶ Flat-foldable in a compact, fully transportable package

## FEATURES AND BENEFITS

▶ **Best-in-class active noise cancelling technology**

Active Noise Cancellation fine-tuned for traveling combines with superior materials – memory foam and protein leather – to reduce ambient noise and create a perfect quiet zone of your own.

▶ **Lossless wireless audio playback with aptX**

Access all your audio wirelessly over Bluetooth, and experience superior quality sound while streaming, thanks to aptX and AAC technology that enhance the wireless sound performance of any media. Got an incoming call? Receive it with the touch of a single button.

▶ **15 hours of battery life**

Get 15 hours of playback with both Bluetooth and Active Noise Cancellation turned on, and up to 30 hours of playback with just ANC turned on. In fact, you can use them endlessly in passive mode because these headphones sound good even when switched off.

▶ **AKG reference sound quality**

Powered on or switched off, these headphones bring you the award-winning AKG Signature sound that's deep in bass and rich in mid-range.

▶ **Flat-foldable in a compact, fully transportable package**

Flat foldable, the N60NC Wireless headphones fit easily in your hand luggage, but also in your pocket, ready to entertain you on any journey, long or short. Thoughtful accessories like the universal mic/remote, a tangle-free fabric cable, an airline adaptor and carrying case make these headphones simply the most convenient to take along.

## WHAT'S IN THE BOX

- Headphones
- Carrying pouch
- Flight adaptor
- USB charging cable
- 3.5mm detachable cable with mic/remote

## SPECIFICATIONS

Frequency response	: 10Hz – 22kHz
Impedance	: 32 Ohms
Max input power	: 30mW
Sensitivity	: 111dB SPL/V@1kHz
Weight	: 199.4g
Cable length	: 1.2m
Connection	: 3.5mm (1/8") Stereo Mini-Jack
Battery type	: Lithium-ion Polymer (3.7V, 610mAh)
Charging	: 5VDC, 550mA
Bluetooth version	: 4.0
Support	: A2DP V1.2, AVRCP V1.4, HFP V1.6, HSP V1.2
Bluetooth transmitter frequency range	: 2402 – 2480MHz
Bluetooth transmitter power	: <4dBm
Bluetooth transmitter modulation	: GFSK, π/4 DQPSK, 8DPSK
